

## About Volunteering at Ogden Regional Medical Center

*(Please remove these sheets for your information. Return the completed application)*

Thank you for your interest in volunteering at Ogden Regional Medical Center. We have approximately 150 volunteers ages 17 and older. We look forward to the opportunity to work with you.

Following are answers to frequently asked questions that are intended to simplify the application process for you. Court ordered community service or attendance credit hours cannot be worked off or signed off at Ogden Regional

Bringing on a new volunteer entails financial and resource commitments from ORMC in preparing, orienting, and training. For this reason, applicants must be willing to make a service commitment of 100 volunteer hours. We find that as volunteers gain experience, their social relationships and service experience become enjoyable and they frequently stay long-term.

Our volunteer opportunities are flexible. During the interview, we will discuss current openings and time commitment. As a general rule, volunteers are asked to work a minimum 4- to 5-hour shift, one day per week. Of course, volunteers are welcome to add more hours if desired. For those with career objectives, we offer limited openings in clinical areas; however, these positions are peripheral support in nature, as volunteers are not permitted to offer patient care. Listed below is the process we follow:

**Assignments-** Volunteer assignment possibilities are listed on page 2 of the application. Review the opportunities before you fill out the rest of the application.

**Application** - Complete an application, answering all questions fully, including the health record. You must include drivers license and social security number for the background check. Return application to the volunteer office, fax or mail it to:

**Attn: Sally Gale, Volunteer Director**  
**5475 South 500 East**  
**Ogden, UT. 84405**  
**Phone - 801-479-2075 FAX - 801-479-2164**  
**sally.gale@mountainstarhealth.com**

**Interview** - After an application review, you will be contacted for an interview appointment. At this time, the objective is to determine a good service match for you from current openings.

**TB Test** - This simple Tuberculosis test is mandatory before beginning service. The test will be administered on your interview day at our expense. Remember to return within 48-72 hours to have the test read and recorded.

**Badge -** Human Resources will take your photo and prepare a volunteer badge on your interview day.

**Orientation -** Allow at least 2 weeks after submitting your application for the background check to clear. You will then be scheduled for mandatory hospital orientation. Sessions are scheduled once monthly, always on a Monday 8am-2pm. Further training and supervision is offered in your assigned department by a fellow volunteer or by a department employee.

**Uniform -** Working within the hospital requires a volunteer uniform. Select one of three styles tops, our complements. The remainder of the uniform consists of tan/kakki slacks, closed toed shoes and socks (volunteer responsibility).

**Immunize – History** – Most people can use the following guidelines to approximate their immunization history. For Utah students who started school after 1960, at five-years of age, before entering kindergarten most had the polio, MMR, and DP(Tetanus). At age12, before entering Junior High school, most Utah students had an MMR and Tetanus booster. If you do not have a written immunization record, use this information to jog your memory. Simply record the year according to your best memory.

**Communicable – Disease** – If you cannot recall the exact year you had a communicable disease such as chicken pox, estimate how old you were and fill in the year. Do not leave this page blank. We need as much health history as you can recall.

**Commitment** –Due to the resources and time invested in your training, we require a minimum commitment of **100 hours**. This can be accomplished by volunteering in one department weekly for 6 months, or through a more intense schedule serving in more than one area. Should you discover your original assignment is not a good match, please do not terminate service. Visit with the Volunteer Director to discuss additional openings for which you qualify. There is a system in place that allows for absence, vacation and family time off.

**Volunteer Defined:** A volunteer is an individual who donates services without contemplation of payment for a public spirited or charitable purpose.

Time spent in these preparatory steps is necessary and informative. You will feel more at home in the hospital atmosphere, and you will be well prepared to serve. We expect you will enjoy your volunteer service and benefit personally from this fulfilling experience. We are anxious to get acquainted with you and put your talents to use.

An appointment will be made after we receive your application. If you have further questions contact: **Sally Gale, Volunteer Director at 479-2075.**
